Weight in Gold

[Gallant](#)

[Verse 1]
Black dust in orbit
Cascades down like a parachute
Bricks on my shoulders
This gravity hurts when you know the truth

[Chorus]
I'm pulling my weight in gold
Call me anxious, call me broke
I can't lift this on my own
I'm pulling my weight in gold
Call me anxious, call me broke
But I can't lift this on my own

[Verse 2]
We dreamt like martyrs, oh
I never thought I was bold enough
You pushed me further, ooh
And I take the blame for the both of us

[Chorus]
I'm pulling my weight in gold
Call me anxious, call me broke
I can't lift this on my own
I'm pulling my weight in gold
Call me anxious, call me broke
But I can't lift this on my own

[Bridge]
Oh, universe, hold me up
Tried your best, is it ever enough
When it's already dragging me down?

[Chorus]
I'm pulling my weight in gold
Call me anxious, call me broke
But I can't lift this on my own
Pulling my weight in gold
Call me anxious, call me broke

But I can't lift this on my own
