

# Hope

## Sublime

How can you say, "You torture me"?  
You're already thinkin' about someone else  
When he comes home, you'll be in his arms and I'll be gone  
But I know my day will come  
I know someday, I'll be the only one So now you wait for a spark,  
You know it will turn you on.  
He's gonna make you feel, the way you want to feel  
When he starts to lie, when he makes you cry,  
You'll know I'll be there  
My day will come  
But I know someday I'll be the only one  
Call me selfish, call it what you like, I think it's right  
To want someone for all your own and not to share their love  
But I'll have my way  
You won't stand a chance anyway  
'Cause I got to you,  
You don't stand a chance So now you wait for his cock,  
You know it will turn you on  
He's gonna make you feel, the way you want to feel  
When he starts to lie, when he makes you cry,  
You know I'll be there.  
My day will come, I know someday I'll be the only one  
My day will come, I know someday I'll be the only one  
You say you want perfection,  
I see your self-destruction  
You don't know what you want,  
It's gonna take you a year to find out  
I'm not givin' up  
And when you've had enough,  
You'll take your bruised little head  
And you'll come running back to me  
I know that I will be the only one!
