

Boogie Down

Al Jarreau

I can be what I want to
And all I need is to
Get my boogie down I can be what I want to
And all I need is to
Get my boogie down You can be what I want to
You know all I need is to
Get my boogie down You can be what I want to
And all I need is to
Get my boogie down I got my certain and my sure 'nough on
And I'm puttin' on my really for real
You face that curtain with your best stuff on
You are the winner and you're gonna feel
You can be what you want to
And all you need is to
Get your boogie down I can be all I want to
And all I need is to
Get my boogie down I got my certain and my sure 'nough on
And I'm puttin' on my really for real
You face that curtain with your best stuff on
You are the winner and you're gonna feel
(You're gonna feel) Ooh
You can be what you want to
And all you need is to
Get your boogie down You can be all you want to
And all you need is to
Get your boogie down
Now you go one and two and three
Here's a little step for you and me
Come and strut your stuff but leave enough
For the nearest boogie and truest boogie woogie I can be what I want to
And all I need is to
Get my boogie down I can be what I want to
And all I need is to
Get my boogie down
(Get my boogie down) I can be what I want to
And all I need is to
Get my boogie down I can be what I want to
And all I need is to
Get my boogie down
(Get my boogie down) I can be what I want to
And all I need is to
Get my boogie down I can be what I want to

And all I need is to
Get my boogie down
(Get my boogie down)
