

# More Than a Woman

Tavares

[Verse 1]

Oh, girl I've known you very well  
I've seen you growing everyday  
I never really looked before  
But now you take my breath away

Suddenly you're in my life  
A part of everything I do  
You got me working day and night  
Just trying to keep a hold on you

[Hook]

Here in your arms I found my paradise  
My only chance for happiness  
And if I lose you now I think I would die

Oh say you'll always be my baby, we can make it shine  
We can take forever, just a minute at a time

More than a woman, more than a woman to me  
More than a woman, more than a woman to me  
More than a woman, oh, oh, oh

[Verse 2]

There are stories old and true  
Of people so in love like you and me  
And I can see myself  
Let history repeat itself

Reflecting how I feel for you  
Thinking about those people then  
I know that in a thousand years  
I'd fall in love with you again

[Hook]

This is the only way that we should fly  
This is the only way to go  
And if I lose you I know I would die

Oh say you'll always be my baby, we can make it shine

We can take forever, just a minute at a time

More than a woman, more than a woman to me  
More than a woman, more than a woman to me  
More than a woman, oh, oh, oh

[Outro]

More than a woman, more than a woman to me  
More than a woman, more than a woman to me  
More than a woman, more than a woman to me  
More than a woman, more than a woman to me  
More than a woman, more than a woman to me
