

Smoke

Natalie Imbruglia

My lullaby
Hung out to dry
What's up with that
It's overWhere are you dad
Mom's looking sad
What's up with that
It's dark in hereWhy, bleeding is breathing
You're hiding underneath the smoke in the room
Try, bleeding is believing
I used toMy mouth is dry
Forgot how to cry
What's up with that
You're hurting me
I'm running fast
Can't hide the past
What's up with that
You're pushing meWhy, bleeding is breathing
You're hiding underneath the smoke in the room
Try, bleeding is believing
I used to
I used toWhy, bleeding is breathing
You're hiding underneath the smoke in the room
Try, bleeding is believing
I saw you crawling on the floorWhy, bleeding is breathing
You're hiding underneath the smoke in the room
Try, bleeding is believing
I saw you crawling to the door
Why, bleeding is breathing
You're hiding underneath the smoke in the room
Try, bleeding is believing
I saw you falling on the floor
