

Classic

MKTO

Hey, where's the drum?
Wooo oh
Let's go Woo girl, you're shinin'
Like a 5th Avenue diamond
And they don't make you like they used to
You're never goin' out of style Woo pretty baby
This world might have gone crazy
The way you saved me, who could blame me
When I just wanna make you smile I wanna thrill ya like Michael
I wanna kiss you like Prince
Let's get it on like Marvin Gaye, like Hathaway
Write a song for you like this
You're over my head, I'm out of my mind
Thinkin' I was born in the wrong time
One of a kind, livin' in a world gone plastic
Baby, you're so classic (yea yea)
(Gone plastic)
Baby, you're so classic (yea yea)
Baby you
Baby, you're so classic Four thousand roses
Anything for you to notice
All the way to serenade you
Doin' it Sinatra style I'ma pick you up in a Cadillac
Like a gentleman, bringin' glamour back
Keep it real to real in the way I feel
I could walk you down the aisle
I wanna thrill you like Michael
I wanna kiss you like Prince
Let's get it on like Marvin Gaye, like Hathaway
Write a song for you like this You're over my head, I'm out of my mind
Thinkin' I was born in the wrong time
It's not a rewind, everything is so throwback-ish
I kinda like it, like it Out of my league, old school chic
Like a moviestar from a silver screen
You're one of a kind, livin' in a world gone plastic
Baby, you're so classic (yea yea)
Baby, you're so classic (yea yea)
Baby, you're so classic Baby you're class, and baby you're sick
I never met a girl like you until we met
A star in the 40's, centerfold in the 50's
You got me trippin' out like the 60's - hippies
Queen of the discotheque

A 70's dream with an 80's vest
Hepburn, Beyoncé, Marilyn, Massive
Girl, you're timeless
Just so classic You're over my head, I'm out of my mind
Thinkin' I was born in the wrong time
It's not a rewind, everything is so throwback-ish
I kinda like it, like it Out of my league, old school chic
Like a moviestar from a silver screen
You're one of a kind, livin' in a world gone plastic
Baby, you're so classic (whoa oh)
Baby, you're so classic (yea yea)
Baby, you're so classic
Ooooo, classic
