

Woman (feat. Lana Del Rey)

Cat Power

If you know people who know me
You might want them to speak
To tell you 'bout the girl or the woman they know
More than you think you know about me
More than you think you know me
See you walkin' in circles (circles)
See you talkin' in circles
See your thoughts runnin' in circles
And walk around all day long, followin' me
The doctor said I was, better than ever
Mind you should have seen me
Doctor said I was not my past
He said I was finally free Taking the charge
I took the lead
I need you to believe
I'm a woman of my word, now haven't you heard
My word's the only thing I've ever needed?
I'm a woman of my word, now you have heard
My word's the only thing I truly need
Woman, woman, woman, woman
Woman, woman, woman, woman
Woman, woman, woman, woman
Woman, woman, woman, woman Your money's like a weapon, a tool to get me
You think I'm like the other ones
Well, my money's like a weapon (weapon), tool for me
No I'm not like those other ones
A cage is like a weapon, a tool for me
You think I'm like the other ones
Oh, my cage is a weapon, it's perfect for me
It's the one suit they seem to not see
I'm a woman of my word, now haven't you heard
My word's the only thing I've ever needed?
I'm a woman of my word, now you have heard
My word's the only thing I truly need
Woman, woman, woman, woman
Woman, woman, woman, woman
Woman, woman, woman, woman
Woman, woman, woman, woman I'm a woman, woman, woman, woman
I'm a woman, woman, woman, woman
I'm a woman, woman, woman, woman
I'm a woman, woman, woman, woman
