

# My Last Words

## Dax

What would your last words be?  
If someone put a gun to your head  
And said you had two minutes before they shoot  
Here are mine  
Wish I can go and revisit the evil I  
did through the course of my life (I wish)  
Wish I could go back in time take the  
wrongs that I did and reverse them to right (Fuck)  
Wish I can take all the pain, the hurt,  
the struggle and keep 'em inside (Damn)  
Wish I can say that I'm sorry to  
people I broke here before that I die (What)  
Wish I can go back in time to my father, I didn't really mean it  
Wish I can go tell my mom that I loved her,  
and all of this money I got I don't need it  
Wish I could go to the church and I talked  
the Lord in an effort to conquer my demons  
I'm beggin' and pleadin',  
I'm down on my knees and he's ready  
to shoot and I'm practically bleedin'  
So this is my destiny, I finna get death to the G  
Somebody please help me, yeah  
These are my last words  
It's Dax!

Wish I can go back in time and revisit myself just to make me believe  
I had these goals and these dreams in my  
mind that were mine that I'll never achieve  
All of these gifts and these talents  
were given by God I was blessed to received  
I was too busy worry 'bout bitches and money  
and all of this shit that you people would think  
Needed help with depression,  
all of my passive aggressions I should've confessed them  
I learned my lesson,  
I didn't get nothin' but sadness that fucked over all of my blessings  
Fucking perfection  
I shoulda walked on my own and I traveled  
the common direction, just to be trending  
Just to be trending!  
Wish I would've not held back  
Wish I would've not fell back  
Wish I would've helped my dad  
Wish I would've fucked that bitch when I had the chance

Wish I would've sold my soul  
Just to get fame and all  
Should have played basketball  
Nigga was masterful  
Wait!

Wish I would have never put my time into  
those people who never tried to give it to me back  
Wish I would have never put my heart into a women that  
will break it than allow it just to have a second chance  
Wish I would have let 'em see what I was really dealing  
when I still ain't tryna hide it on a motherfuckin' track  
I blow a milli just to prove that I'm a legend in the makin'  
just to show them what it looks like when I get it right back  
These are my last, my last wordsDear God  
I'm not gonna lie, I'mma need your forgiveness  
I knew that no one was watching but in my last minute  
I now know that you were a witness  
So I'm repentant

Now that's it's sinnin'

Why? Because I need to make it to heaven

Born as a sinner, die as a winner

Period just like the end of a sentence

I swear the devil is watching me

He tried to make me his prodigy

This is my fucking apology

I don't want nothin' but honesty

Heaven to hell was just callin' me

30 seconds left

These are my last words

And to the bitch that broke my heart

I just hope that you can sleep

Knowing every single man you'll meet will never be like me

You can run, you can hide

But you will see me in your dreams

On TV

It's Dax!Wish I can go back in time to my father, I didn't really mean it

Wish I can go tell my mom that I loved her,

and all of this money I got I don't need it

Wish I could go to the church and I talked  
to the Lord in an effort to conquer my demons

I'm beggin' and pleadin',

I'm down on my knees and he's ready  
to shoot and I'm practically bleedin'

So this is my destiny, I finna get death to the G

Somebody please help me, yeah

These are my last words
