

Sometimes I Cry

Eric Benét

Hoo ah hoo yea

Two years since you walked away from me
Since all of our scattered dreams, huh
Were just thrown away
I'm finally gettin' back to what I used to be
Shared my pain with my family
Think I'm on my way

I can sleep at night, I don't reach for you when I wake up, no
But it's taken some time, yeah
I can live my life without praying that we could make up
I'm movin' on, I'm feeling strong inside but

Chorus 1:
Sometimes I cry babe
When I'm all alone with this heart of mine, ooh
Sometimes I cry baby
Although you've been gone for a long, long time, ooooooh yeah yeah

I heard you're movin' in with someone new
I hope all your dreams come true
And you'll both be happy, yeah
Been long enough for me to take a look around
I met a girl, we been hanging out, she's been good for me
But when we making love, she don't take me there like you used to
And it hurts when I lie, when I lie baby
Help me understand how to push you out, forget you
And let you go 'cause Lord knows I've tried yeah

Chorus 2:
Sometimes I cry baby
Baby I've been hurtin' for a long, long time. Yes I have babe
Sometimes I cry ba-a-a-by
Aint nothing working for this pain of mine, hoo ooh hoo

I'll just have to fake it
Until I can make it
There's a smile on my face, yeah, but I'm broken insi-i-i-i-i-de, yeah

Chorus 3:
Sometimes I cry

When I'm all alone , when I'm all alone with this heart of mine, yeah
Sometimes I cry baby, yeah, yeah, yeah, yeah
Although you've been gone for a long long, a long long
Long, long, long, long, long, long, long, yeah, baby, baby, baby
I can't take it no more
I can't take it no no no
No come back to me
Baby, baby please , oh baby
Oh, oh
