

Seagull

Bad Company

Seagull, you fly across the horizon
Into the misty morning sun
Nobody asks you where you are going,
Nobody knows where you're from Here is a man asking the question
Is this really the end of the world?
Seagull, you must have known for a long time
The shape of things to come
Now you fly, through the sky, never asking why,
And you fly all around till somebody shoots you down
Da da da da da da down.
Mm mm mm mm, mm mm. Seagull, you fly, across the horizon,
Into the misty morning sun.
Nobody asks you where you are going,
Nobody knows where you are from,
Now you fly through the sky, never asking why,
And you fly all around till somebody, yeah,
Shoots you down. Mm mm, yeah.
Seagull you fly, seagull you fly away.
And you fly away today
And you fly away tomorrow
And you fly away, leave me to
my sorrow.
Mm, mm, mm. Seagull go and fly, mm, mm, mm,
Fly to your tomorrow, leave me to my sorrow, fly.
