

# Love's Been a Little Bit Hard On Me

Juice Newton

I've got nothing to be ashamed of  
Love's been a little bit hard on me  
If I shy away it's only because  
Love's been a little bit hard on me (Love's been a little)  
Oh, love's been a little  
(Love's been a little bit hard on me)  
(Love's been a little)  
You know just been a little  
(Love's been a little bit hard on me) Now, I can remember when it's been so much  
Love's been a little bit hard on me  
Now I shy away at the slightest touch  
Love's been a little bit hard on me  
(Love's been a little)  
Oh, you know it's been a little  
(Love's been a little bit hard on me)  
(Love's been a little)  
Just a little, little  
(Love's been a little bit hard on me) Come out, come out  
To the hopeless romance inside  
Shout it's all right, it's all right  
To stay so dark, so close to the light Come out, come out  
To the hopeless romance inside  
Shout it's all right, it's all right  
To stay so dark, so close to the light I'll be back when I calm my fears  
Love's been a little bit hard on me  
And I'll see you around in a thousand years  
Love's been a little bit hard on me  
(Love's been a little)  
You know it's just been a little  
(Love's been a little bit hard on me)  
Oh, love you know it's just been a little  
(Love's been a little bit hard on me)
