

Spoon Me (feat. Skrillex & the Aston Shuffle)

Elliphant

Sipping bad habits in the break of day
Trip on fast lovers like come get with me
Looking damn hard to find an easy way, easy way I gotta woke my demons need a fresh air
Keep them in their leash they're much strong and wild
Far to where I'm heading cause I need a ride, need a ride So spoon me, spoon me tonight yeah
Spoon me, baby, you can't spoon too tight
Spoon me, hands on my boobie yeah
Spoon me, dick on my booty now
Spoon me, spoon me tonight yeah
Spoon me, baby, you can't spoon too tight
Spoon me, hands on my boobie yeah
Spoon me, dick on my booty now
(Yeah, yeah)
Spoon me, hands on my boobie yeah
(Yeah, yeah)
Spoon me, spoon me tonight yeah
(Yeah, yeah)
Spoon me, hands on my boobie yeah
(Yeah, yeah)
Spoon me, spoon me tonight yeah Pulling up roots, ripping your cocoon
Spread the wings wide, let our spirit bloom
Down we make love in the purple gloom, purple gloom yeah You better let your dream around
some time to play
Pretend of what you need and what you tied away
Get ready for the storming and baby clouds will break, clouds will break
So spoon me, spoon me tonight yeah
Spoon me, baby, you can't spoon too tight
Spoon me, hands on my boobie yeah
Spoon me, dick on my booty now
Spoon me, spoon me tonight yeah
Spoon me, baby, you can't spoon too tight
Spoon me, hands on my boobie yeah
Spoon me, dick on my booty now (Yeah, yeah)
Spoon me, hands on my boobie yeah
(Yeah, yeah)
Spoon me, spoon me tonight yeah
(Yeah, yeah)
Spoon me, hands on my boobie yeah
(Yeah, yeah)
Spoon me, spoon me tonight yeah Oh, first love is on
Breathe in to my neck
Love

Pumping from your chest to my crack
Oh, spoon me
(Yeah)
Spoon me tonight
(You gotta)
Spoon me, baby
(Yeah)
You can spoon me right
(You gotta)
Spoon me
(Yeah)
Spoon me tonight
(You gotta)
Spoon me, baby, you can spoon me right So spoon me, spoon me tonight yeah
Spoon me, baby, you can't spoon too tight
Spoon me, hands on my boobie yeah
Spoon me, dick on my booty now
Spoon me
Spoon me
Spoon me
(Spoon me all night)
Spoon me
Spoon me
Spoon me
(You gotta spoon me right)
Spoon me
All night, all night
Yeah
Spoon me
All night, all night
