

# Lucky Today

## Cloud Cult

I got two hands on the sunshine  
I got one foot in the grave  
I got 25 cents in my wallet  
And I'm feelin' mighty lucky today  
Hey, heyMy bones are made out of ivory  
And my blood is made of ocean waves  
And someone stole my wallet  
But I'm feelin' mighty lucky today  
Hey, hey  
And I'm alone.
