

Tell Him

Barbra Streisand & Céline Dion

Celine: I'm scared
C: So afraid to show I care
C: Will he think me weak
C: If I tremble when I speak
C: Oooh
C: What if
C: There's another one he's thinking of
C: Maybe he's in love
C: I'd feel like a fool
C: Life can be so cruel
C: I don't know what to doBarbra: I've been there
B: With my heart out in my hand
B: But what you must understand
B: You can't let the chance
B: To love him pass you by
B&C: Tell him
B&C: Tell him that the sun and moon
B&C: Rise in his eyes
B&C: Reach out to him
B&C: And whisper
B&C: Tender words so soft and sweet
C: I'll hold him close to feel his heart beat
B: Love will be the gift you give yourselfB: Touch him C:(Oooh)
B: With the gentleness you feel insideC: (I feel it)
B: Your love can't be denied
B: The truth will set you free
B: You'll have what's meant to be
B&C: All in time you'll see
Oooh
C: I love him B:(Then show him)
C: Of that much I can be sureB: (Hold him close to you)
C: I don't think I could endure
C: If I let him walk away
C: When I have so much to sayB&C: Tell him
B&C: Tell him that the sun and moon
B&C: Rise in his eyes
B&C: Reach out to him
B&C: And whisper
B&C: Tender words so soft and sweet
B: Hold him close to feel his heart beat
C: Love will be the gift you give yourselfC: Love is light that surely glows
C: In the hearts of those who know

C: It's a steady flame that grows
B: Feed the fire with all the passion you can show
C: Tonight love will assume its place
B: This memory time cannot erase
B&C: Your faith will lead love where it has to goB&C: Tell him
B&C: Tell him that the sun and moon
B&C: Rise in his eyes
B&C: Reach out to him
B&C: And whisper
B&C: Whisper words so soft and sweet
B: Hold him close to feel his heart beat
C: Love will be the gift you give yourself
Oooh
B&C: Never let him go
