Cash Cash

If you don't got money, don't fuck with us
Fuck with us, fuck with us
If you don't got money, don't fuck with us
Fuck with us, fuck with us
If you don't got money, don't fuck with us
Can't fuck with us, can't fuck with us
If you don't got money, don't fuck with us
Don't fuck with us
