

Polarize

twenty one pilots

Help me polarize
Help me polarize
Help me down
Those stairs is where I'll be hiding all my problems
Help me polarize
Help me polarizeHelp me out
My friends and I we've got a lot of problems
You know where I'm coming from
Though I am running to you
All I feel is deny, deny, denial
I wanted to be a better brother, better son
Wanted to be a better adversary to the evil I have done
I have none to show to the one I love
But deny, deny, denial
Help me polarize
Help me polarize
Help me down
Those stairs is where I'll be hiding all my problemsHelp me polarize
Help me polarize
Help me out
My friends and I, we've got a lot of problemsPolarize is taking your disguises
Separating them, splitting them up from wrong and right
It's deciding where to die and deciding where to fight
Deny, deny, denial
I wanted to be a better brother, better son
Wanted to be a better adversary to the evil I have done
I have none to show to the one I love
But deny, deny, denial
Help me polarize
Help me polarizeHelp me down
Those stairs is where I'll be hiding all my problemsHelp me polarize
Help me polarize
Help me outMy friends and I, we've got a lot of problems
We have problemsWe have problems
Domingo en fuego
I think I lost my haloI don't know where you are
You'll have to come and find me, find me
Domingo en fuegoI think I lost my halo
I don't know where you are
You'll have to come and find me, find me
We have problems
We have problems

Help me polarize
Help me polarize
Help me out
My friends and I have problems
Help me polarize
Help me polarize
Help me out
My friends and I have problems
Help me polarize
Help me polarize
Help me out
My friends and I have problems
Help me polarize
Help me polarize
Help me out
My friends and I have problems
We have problems
We're singing out
We're singing out
We're singing out
We have problems
I wanted to be a better brother, better son
I wanted to be a better brother, better son
