## Harry Styles

She worked her way through a cheap pack of cigarettes  
Hard liquor mixed with a bit of intellect  
And all the boys, they were saying they were into it  
Such a pretty face, on a pretty neck Driving me crazy, but I'm into it, but I'm into it  
I'm kind of into it  
It's getting crazy, I think I'm losing it, I think I'm losing it  
I think she said "I'm having your baby, it's none of your business"  
"I'm having your baby, it's none of your business"  
"I'm having your baby, it's none of your business"  
"I'm having your baby, it's none of your, it's none of your"  
It's New York, baby, always jacked up  
Whole tunnels, foreign noses always backed up  
When she's alone, she goes home to a cactus  
In a black dress, she's such a such an actress Driving me crazy, but I'm into it, but I'm into it  
I'm kind of into it  
It's getting crazy, I think I'm losing it, I think I'm losing it  
I think she said "I'm having your baby, it's none of your business"  
"I'm having your baby, it's none of your business"  
(none of your, none of your)  
"I'm having your baby, it's none of your business"  
"I'm having your baby, it's none of your, it's none of your" She sits beside me like a silhouette  
Hard candy dripping on me 'til my feet are wet  
And now she's all over me, it's like I paid for it  
It's like I paid for it, I'm gonna pay for this  
It's none of your, it's none of your  
"I'm having your baby, it's none of your business"  
"I'm having your baby, it's none of your business"  
(it's none of your, none of your)  
"I'm having your baby, it's none of your business"  
"I'm having your baby, it's none of your business"  
(it's none of your, none of your)
