

Don't

Ed Sheeran

La, la, la, la I met this girl late last year
She said don't you worry if I disappear
I told her I'm not really looking for another mistake
I called an old friend thinking that the trouble would wait But then I jumped right in a week
later returned
I reckon she was only looking for a lover to burn
But I gave her my time for two or three nights
Then I put it on pause until the moment was right
I went away for months until our paths crossed again
She told me I was never looking for a friend
Maybe you could swing by my room around ten
Baby, bring the lemon & a bottle of gin
We'll be in between the sheets till the late AM
Baby if you wanted me then you should have just said
She's singing...
la, la, la, la
Don't with my love
That heart is so cold
All over my own
I don't wanna know that, babela, la, la Don't with my love
I told her, she knows
Take aim & reload
I don't wanna know that, babe
la, la, la For a couple of weeks I only want to see her
We drink away the days with a take away pizza
Before a text message was the only way to reach her
Now she's staying at my place & loves the way I treat her Singing out Aretha, all over the track
like a feature
And never wants to sleep I guess that I don't want to either
But me & her we make money the same way
Four cities, two planes the same day And those shows have never been what it's about
Maybe we'll go together & just figure it out
I'd rather put on a film with you & sit on the couch
But we should get on the plane or we'll be missing it now Wish I'd have written it down, the
way that things played out
When she was kissing him how I was confused about
She should figure it out why I'm sat here singing Don't with my love
That heart is so cold
All over my own
I don't wanna know that, babe
Don't with my love
I told her, she knows

Take aim & reload
I don't wanna know that, babe On my hotel door!
I don't even know if she knows what for
She was crying on my shoulder, I already told you
Trust & respect is what we do this for I never intended to be next
But you didn't need to take him to bed, that's all
And I never saw him as a threat
Until you disappeared with him to have sex of course It's not like we were both on tour
We were staying on the same hotel floor
And I wasn't looking for a promise or commitment
But it was never just fun & I thought you were different This is not the way you realize what
you wanted
It's a bit too much, too late if I'm honest
And all this time God knows I'm singing Don't with my love
That heart is so cold
All over my own
I don't wanna know that, babe
Don't with my love
I told her, she knows
Take aim & reload
I don't wanna know that, babe Don't with my love
That heart is so cold
All over my own
I don't wanna know that babe
Don't with my love
I told her, she knows
Take aim & reload
I don't wanna know that, babe
