

Next Best Thing

Sam Tsui

[Intro]

(1, 2, 3, 4)

Woah-oh-oh ooh-ooh

Woah-oh-oh ooh-ooh

Ooh ooh ooh ooh ooh

Woah-oh-oh ooh-ooh

Woah-oh-oh ooh-ooh

Ooh ooh ooh ooh ooh

[Verse 1]

Once upon a time I would have

Moved a mountain just to know

That I was on your mind at all

They say love can make you blind

You had me wrapped around your pinky finger

Waiting for your midnight call

I was never the first pick

But you knew I'd wait for you every time

But now I see that I was never gonna be your Mr. Right

Just Mr. Right next in line

[Chorus]

I don't wanna be the next best thing

I ain't gonna be your safety net

Baby, if I'm not the one you want

I don't wanna be the one you get

We could be a symphony, but I'm always second string

So baby if you're lonely tonight

It's time to find yourself another next best thing

Woah-oh-oh ooh-ooh

Woah-oh-oh ooh-ooh

Another next best thing

Woah

[Verse 2]

See I've been getting used to all this elevator music

That you're playin' while I wait on hold

Yes, you're on the other line

And oh, I let you take your time

This waiting game is getting old

Always looking over your shoulder
Just in case something better comes by
Still hoping for the day when I'll be
More than second place
Is just a waste of my precious time

[Chorus]

I don't wanna be the next best thing
I ain't gonna be your safety net
Baby, if I'm not the one you want
I don't wanna be the one you get
We could be a symphony, but I'm always second string
So baby if you're lonely tonight
It's time to find yourself another next best thing

[Bridge]

I could be all you need
But you treat me like I'm nothing at all
So when his love falls through
Find another fool to call, oh

[Chorus]

I don't wanna be the next best thing
I ain't gonna be your safety net
Baby, if I'm not the one you want
I don't wanna be the one you get
The one you get

No, I won't be your safety net
Baby, if I'm not the one you want
I don't wanna be the one you get
We could be a symphony, but I'm always second string
So baby if you're lonely tonight
It's time to find yourself another next best thing

[Outro]

Woah-oh-oh ooh-ooh
Woah-oh-oh ooh-ooh
Ooh ooh ooh ooh ooh
Woah-oh-oh ooh-ooh
Woah-oh-oh ooh-ooh
Ooh ooh ooh ooh
