

Main Girl (feat. Nivea)

Nick Cannon

N I C K C A N N O N
(I'll make you mine) Can I be your main girl?
(Of course you can)
Can I be the one for you
(Uh, it's nick cannon)
Can I be your main girl?
(Of course you can)
Let me be the one, you believe in
(It's like this what?)
Yo it's rule number one
If you wanna be my main girl
Gotta keep your hair tight
Toes right, yeah girl
You gotta be a girl who
Has a lot of virtue
Like to party in the club
But she go to church too I need a chick who jet skis, sky dives, surf too
Boo you spit a verse too?
Nah, I don't deserve you
Yo I gotta have a chick that's with a blockbuster night
When we caught up in some beef
On a blockbuster fight
Additude is heavy pullin' stunts out of spite
Yo even when she heated shorty cussin' light
36-24-38, ha, give or take her size don't matter
Goals and ambitions gotta be a go-getter
Prada in the summer and gabbana in the winter
If you fit this description of the girl in this rhyme
(I'll make you mine)
Come on lets go Can I be your main girl?
(Of course you can)
Can I be the one for you
(Uh, it's nick cannon)
Can I be your main girl?
(Of course you can)
Let me be the one, you believe in Yo I'm lookin' for a co-star tryin' to keep you closer
In my holster, like a thoroughbred supposed to I need a j-lo chick
Not worry about her, Chris, or Ben affleck
Yeah, I did a few flicks my chicks above average
No bad habits, no baggage from past trips
Workin' real hard part time taking classes
Girl I gotta give you credit so, here's my plastic

Yo, I need a chick that won't take nick for granted
 A high class miss, like 5 MIC's, a classic
 You wanna be my main girl? Roll in the range, girl?
 In the rain girl? Someone to take my name girl N I C K C A N N O N
 (Oh you better sing girl)
 If you fit this description of the girl in this rhyme
 (I'll make you mine)
 Come on lets go Can I be your main girl?
 (Of course you can)
 Can I be the one for you
 (Uh, it's Nick Cannon)
 Can I be your main girl?
 (Of course you can)
 Let me be the one, you believe in Yo, can I get a main girl someone who can hold me down
 City chick, southern bail educated, college bound
 Put you in the hottest gown in the hottest part of town
 Move in, make love, sparks fly, burn it down
 12 dozen rows of roses, for valentines
 Birthdays, teddy bears, this the girl I'm tryin' to find Spend a little time with tell me if my rhyme
 hit
 Someone I can shine with cookin' with my mom chick
 Booby you the finest, your tenderness, your kindness
 Money ain't a thing, keep the change
 You a dime chick so, get the ring, I'm the king
 You the highness pre-nup, hold up
 First you need to sign this East side, west side south to the north
 Block to block, and coast to coast
 If you fit this description of the girl in this rhyme
 (I'll make you mine) Can I be your main girl?
 (Of course you can)
 Can I be the one for you
 (Uh, it's nick cannon)
 Can I be your main girl?
 (Of course you can)
 Let me be the one, you believe in
