

Woman In Love

Barbra Streisand

Life is a moment to space
When the dream is gone
It's a lonelier place I kiss the morning goodbye
But down inside
You know we never know why The road is narrow and long
When eyes meet eyes
And the feeling is strong I turn away from the wall
I stumble and fall
But I give you it all
I am a woman in love
And I'll do anything
To get you into my world
And hold you within
It's a right I'll defend
Over and over again
What do I do? With you eternally mine
In love there is No measure of time
We planned it all at the start
That you and I Live in each other's hearts
We may be oceans away
You feel my love I hear what you say
No truth is ever a lie
I stumble and fall
But I give you it all
I am a woman in love
And I'll do anything
To get you into my world
And hold you within
It's a right I'll defend
Over and over again What do I do?
I am a woman in love
And I'm talking to you
You know I know how you feel
What a woman can do
It's a right I'll defend
Over and over again
I am a woman in love
And I'll do anything
To get you into my world
And hold you within
It's a right I'll defend
Over and over again...

end.
