

# Somebody Loves You Baby (You Know Who It Is)

Patti LaBelle

(Chorus)

Somebody loves you baby

Ooh ooh ooh

Somebody loves you baby

Ooh ooh ooh

Somebody loves you baby

Ooh ooh ooh

Somebody loves you baby, you know who it is

It happened so suddenly

I woke up one morning with you on my mind

No matter what I did

Couldn't stop thinking about you

Wanted an instant replay of yesterday

(Chorus)

I'm under your spell

I don't want to break free

You can make a slave out of me

I worship you and nobody else

I pledge my love to you forever

(Chorus x2)

I need you right now Baby don't say no

Cause you look like you ready to get it on

Whatever you give me I give it to you back

All the love you'll ever need I'll give it to you

(Chorusx2)
