Take Care (feat. Rihanna)

Drake

I know you've been hurt by someone else
I can tell by the way you carry yourself
If you let me, here's what I'll do
I'll take care of you
I've loved and I've lostI've asked about you and they told me things
But my mind didn't change and I still feel the same
What's a life with no fun? Please, don't be so ashamed
I've had mine, you've had yours, we both know. we know
They won't get you like I will
My only wish is I die real
Cause that truth hurts and those lies heal
And you can't sleep thinking that he lies still
So you cry still, tears all on the pillowcase
Big girls all get a little taste
Pushing me away so I give her space
Dealing with a heart that I didn't break
I be there for you, I will care for you
I keep thinking you just don't know
Tryna run from that, say you done with that
On your face, girl, it just don't show
When you're ready, just say you're ready
When all the baggage just ain't as heavy
And the party's over, just don't forget me
We'll change the pace and we'll just go slow
You won't ever have to worry, you won't ever have to hide
You've seen all my mistakes so look me in my eyes
I know you've been hurt by someone else
I can tell by the way you carry yourself
If you let me, here's what I'll do
I'll take care of you
I've loved and I've lostIt's my birthday, I'll get high if I want to
Can't deny that I want you but I'll lie if I have to
Cause you don't say you love me to your friends when they ask you
Even though we both know that you do... you do
One time been in love one time
You and all your girls in the club one time
All so convinced that you're following your heart
Cause your mind don't control what it does sometimes
We all have our nights, though, don't be so ashamed
I've had mine, you've had yours, we both know. we know
You hate being alone well you ain't the only one
You hate the fact that you bought the dream and they sold you one

You love your friends, but somebody should've told you some
To save you. instead they say:
Don't tell me, I don't care
If you hurt, I don't tell you
You don't care, if you're trueI know you've been hurt by someone else
I can tell by the way you carry yourself
If you let me, here's what I'll do
I'll take care of you
I've loved and I've lost
