

Hopes Up

H.E.R.

You know what you're doing when you're giving me a rush
I know I'm only chasing in lust
Feeling too high, I
And I'm face down, laid out, taking too much
Should know I been a little too blunt
When I tell you it's mine (that's mine)
That you on cloud nine Now you came in on me while you sleeping
When you wake up I'm the reason
Eager for me like the weekend
What you want, what you been needing?
Pick me up, I'm on the coast
I'll leave tonight so let me know
Rise with you all sensual
Don't get your hopes up, don't
Don't get your hopes up, don't
Don't get your hopes up, don't
Don't get your hopes up, don't
Get your hopes up All in your feelings so I need to get back
It was so good, I know you gon' ask me to change my flight
But it wouldn't be right
I didn't meant to lead you on, you know we both
Want the real thing, no demo
The same for life, life Now you came in on me while you sleeping
When you wake up I'm the reason
Eager for me like the weekend
What you want, what you been needing?
Pick me up, I'm on the coast
I'll leave tonight so let me know
Rise with you all sensual
Don't get your hopes up, don't
Don't get your hopes up, don't
Don't get your hopes up, don't
Don't get your hopes up, don't
Get your hopes up Get your hopes up, don't
Don't get your hopes up, yeah
Pick me up, I'm on the coast
I leave tonight so let me know
Rise with you all sensual
Don't get your hopes up, uh
