

Dub In Life

Eiffel 65

Everyone,
is looking for the dub in this life.
Everybody,
just keep on asking why why why.
What is dub in this life.
Everyone,
is looking for the dub in this life.
Everybody,
just keep on asking why why why.
What is dub, dub in this life.
Everyone,
is looking for the dub in this life.
Everybody,
just keep on asking why why why.
What is dub in this life.
Everyone,
is looking for the dub in this life.
Everybody,
just keep on asking why why why.
What is dub, dub in this life.
Everyone,
is looking for the dub in this life.
Everybody,
just keep on asking why why why.
What is dub, dub in this life.
Everyone,
is looking for the dub in this life.
Everybody,
just keep on asking why why why.
What is dub, dub in this life.
