

# All About Us (feat. Niia)

## CODE KUNST

?? ??? (Code Kunst) - All About Us (Feat. Niia) Lyrics

Woo tell me that you want me  
Tell me that you need me  
Show me that you care Woo love is never easy  
When you're not mine completely  
Moments here and there Always on my mind  
Waiting for a sign  
Crossing every line  
Oh the rush I feel inside Putting on a show  
Keep it on the low  
Faster as it goes  
But I wanna take it slow  
Oh it's our little secret  
Tell me can you keep it  
I know that I can Yeah only we know  
And only we know  
And only we know about us  
All about us  
All about us Yeah only we know  
And only we know  
And only we know about us  
All about us  
All about us Oh baby I remember  
Back in late September  
When we were just friends  
Woo that day we drove to Venice  
Yeah that night  
with you was endless  
Kissing on the pier Always on my mind  
Waiting for a sign  
Crossing every line  
Oh the rush I feel inside Putting on a show  
Keep it on the low  
Faster as it goes  
But I wanna take it slow Oh it's our little secret  
Tell me can you keep it  
I know that I can Yeah only we know  
And only we know  
And only we know about us  
All about us  
All about us Yeah only we know  
And only we know  
And only we know about us

All about us  
All about us Yeah only we know  
And only we know  
And only we know about us  
All about us  
All about us Yeah only we know  
And only we know  
And only we know about us  
All about us  
All about us
