

# Shake Shake Shake

Majid Jordan

Diamonds 'round her neck and she's driving me mad  
I would take her out if I got the chance  
All night long, I think of what to say  
I really think she needs someone like me To take her out for a quick two-step  
Something that she ain't seen yet  
I really wanna be her man  
Someone who understands, someone who understands  
I-I-I'm letting loose, I can't wait to see you...  
Shake, shake, shake, shake  
Shake, shake, shake, shake  
Move, move, move, move  
Move, move, move, move  
Wait, wait, wait, wait  
Wait, wait, we've got nothing to lose  
Shake, shake, shake, shake  
Shake, shake, shake, shake  
Move, move, move, move  
Move, move, move, move  
Wait, wait, wait, wait  
Wait, wait, we've got nothing to lose Diamonds 'round her neck and she's here at last  
I need to make a move, I'm taking my chance  
All night long, I thought of what to say  
I really think she's need someone like me  
To take her out for a quick two-step  
Something that she ain't seen yet  
I really wanna be her man  
Someone who understands, someone who understands  
I-I-I'm letting loose, I can't wait to see you... Shake, shake, shake, shake  
Shake, shake, shake, shake  
Move, move, move, move  
Move, move, move, move  
Wait, wait, wait, wait  
Wait, wait, we've got nothing to lose  
Shake, shake, shake, shake  
Shake, shake, shake, shake  
Move, move, move, move  
Move, move, move, move  
Wait, wait, wait, wait  
Wait, wait, we've got nothing to lose Listen up, it's my confession, life is never worse wrestling  
If you haven't just to make it better then you've got to take it  
And shake, move, yeah, you've got those moves  
You got those moves that make me say "I love you"

I can't wait, I'm coming through, I'm going...To take you out for a quick two-step  
Something that you ain't seen yet  
I really wanna be your man  
Someone who understands, someone who understandsDon't stop, don't stop  
Someone who understands  
Don't stop, don't stop  
Someone who understands  
Don't stop, shake it  
Don't stop, don't stop  
Someone who understands  
Don't stop, shake it  
Don't stop, don't stop  
Someone who understandsShake, shake, shake, shake  
Shake, shake, shake, shake  
Move, move, move, move  
Move, move, move, move  
Wait, wait, wait, wait  
Wait, wait, we've got nothing to lose  
(Shake it)  
Shake, shake, shake, shake  
Shake, shake, shake, shake  
Move, move, move, move  
Move, move, move, move  
Wait, wait, wait, wait  
Wait, wait, we've got nothing to loseShake, show me what to do  
Go on move  
Go and I'll move  
Go and I'll move  
Don't stop baby  
Don't stop, don't stop  
Don't stop baby  
Don't stop, don't stop  
Don't stop baby  
Don't stop, yeah, yeah  
Don't stop, don't stop
