

Like It Is

Kygo, Zara Larsson & Tyga

[Verse 1: Zara Larsson]

Maybe you should leave this girl alone
But you wo-o-on't
But you do-o-on't
Now delete my number from?your?phone
But you wo-o-on't
You?gotta go-o-o, oh
Line by line
Gotta spell?it right out (Yeah)

[Pre-Chorus: Zara Larsson]

I don't know what you're looking for
But?I?don't?think it's me
I?wish I could?give you my all
Not caught in make believe
I don't feel how you feel
I'm just telling it like it is
I don't need you to say those words no more

[Chorus: Zara Larsson & Kygo]

I'm just telling it like it is (You got me, you got me)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is (You got me, you got me)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is (You got me, you got me)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is (You got me, you got me)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is

[Verse 2: Tyga, Zara Larsson]

Yeah, hold on wait a minute, let's make this right (Yeah)
You're the only one thing that I need in my life (I need)
And I ain't never met a girl like you before (You before)
I could tell you everything if you need to know (Need to know)
We was perfect before and I made mistakes (Yeah)
Told you I was all in, we can raise the stakes
Even though I'm a player I ain't contemplate
Now you (Eh) on a vay-cay, hotel, heartbreak (Show)
Champagne, all day, on me, oh yeah (Ah-ah)

Miami with you friends, you ain't worried 'bout me ('Bout me)
Got a room with a suite, so drunk, lose the key (Oh-woah)
And I know we ain't over so, the ring, you can keep, ayy
We be right back tomorrow night (Tomorrow night), yeah
It's for life, you know we ride or die (Ride or die), yeah
Single for the night but you still mine
And I'ma chill with this shawty just to kill the time, you know

[Chorus: Zara Larsson & Kygo]

I'm just telling it like it is (You got me, you got me)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is (You got me, you got me)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is (You got me, you got me)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is (You got me, you got me)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is (I'm just telling)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is (You got me, you got me)
I'm just telling it, telling it (You got me, you got me)
I'm just telling it like it is
