## Runaway (U & I) [Dillon Francis Remix]

## **Galantis**

```
Think I can fly
                   Think I can fly when I'm with U
                          My arms are wide
Catching fire as the wind blowsI know that I'm rich enough for pride
                  I see a billion dollars in your eyes
         Even if we're strangers till we dieI wanna run away
                          I wanna run away
                       Anywhere out this place
                          I wanna run away
                         Just U and I. I. I. I. I
                           U and I, I, I, I, I
                           U and I, I, I, I, I
                           U and I, I, I, I, I
                             Just U and I
                           U and I, I, I, I, I
                           U and I, I, I, I, I
                           U and I, I, I, I, I
