

# A Walk In the Dark

David Byrne

[Intro]

One, two

One, two, three, four

[Verse 1]

I'm takin' all your little toys away  
You don't have any say so in your future  
The pretty colors and the shiny lights  
Do we just chase whatever we desire?

[Pre-Chorus]

Oh silent night

Oh holy night

Sometimes you see me

Sometimes you don't

[Chorus]

You'll get to know me better

After a walk in the dark

The monster in the mirror

We'll take a walk in the dark

Woah, we'll take a walk in the dark

Woah, we'll take a walk in the dark

[Verse 2]

I'm not afraid to close my eyes at night

I'm not afraid of what my dreams will show me

I saw a fish that had a human head

I saw some things that I would like to show you:

[Pre-Chorus]

The broken glass

The car's on fire

Open the cages

And set them free

[Chorus]

Mine eyes have seen the glory

I took a walk in the dark

It ain't no bedtime story

We'll take a walk in the dark  
Woah, we'll take a walk in the dark  
Woah, we'll take a walk in the dark

[Bridge]

Oooh

Who will help ya now?

Surrender

My love

Let it all come down

Burn baby burn

[Verse 3]

Now Jesus, Mary and the Holy Ghost  
Took one look and they said, "Hey, we're lost!"  
"How the hell do we get outa here?"  
They shit their pants, they got so scared

[Chorus]

So no matter who you are  
Ya need a walk in the dark  
The sweetest thing I ever saw  
I took a walk in the dark  
Woah, we'll take a walk in the dark  
Woah, we'll take a walk in the dark
