

# Enjoy the Ride

## Krewella

We were born ready  
Ready to be free  
Chasing every thrill we could see  
With my eyes steady  
Wake into a dream  
Aching to be thrown in the ring  
If nothing comes easy  
As long as we're breathing  
We'll go all the way or go home  
We were born ready, wherever it leads  
What we have is all we need  
'Cause if it's fast or slow  
All I really know  
Is I'm gonna enjoy the ride  
And if it's hard or soft  
Before we get off  
I'm gonna enjoy the ride  
Enjoy the ride  
'Cause if it's fast or slow  
All I really know  
Is I'm gonna enjoy the ride  
Enjoy the ride 'Cause if it's fast or slow  
All I really know  
Is I'm gonna enjoy the ride  
And if it's hard or soft  
Before we get off  
I'm gonna enjoy the ride  
Enjoy the ride  
We were born hungry  
Hungry for the rush  
Screaming when they tell us to hush  
Hit the ground running  
Leave them in the dust  
Only run with those we can trust  
If nothing comes to us  
We fly where it's bluest  
As we're ready to face the unknown  
We were born hungry  
We'll never get enough  
'Cause we're only here this once 'Cause if it's fast or slow  
All I really know  
Is I'm gonna enjoy the ride

And if it's hard or soft  
Before we get off  
I'm gonna enjoy the ride  
Enjoy the rideLet's do it again  
Let's make it tonight  
Yeah, let's go until the sky gets lighter  
And if it's fast or slow  
All I really know  
Is I'm gonna enjoy the ride  
Enjoy the ride'Cause if it's fast or slow  
All I really know  
Is I'm gonna enjoy the ride  
And if it's hard or soft  
Before we get off  
I'm gonna enjoy the ride  
Enjoy the rideLet's do it again  
Let's make it tonight  
Yeah, let's go until the sky gets lighter  
And if it's fast or slow  
All I really know  
Is I'm gonna enjoy the ride  
Enjoy the ride
