

# Come On Up to the House

Willie Nelson, Sheryl Crow & Lukas Nelson & Promise of the Real

Well the moon is broken  
The sky is cracked  
Come on up to the house  
The only thing that you can see  
Is all that you lack  
So come on up to the house All your cryin don't do no good  
Come on up to the house  
Come down off the cross  
We can use the wood  
Come on up to the house Come on up to the house  
Come on up to the house  
This world is not my home  
I'm just a passin' through  
So come on up to the house  
There's no light in the tunnel  
No irons in the fire  
Come on up to the house  
And your singin' lead soprano  
In a junkman's choir  
You gotta come on up to the house Does life seem nasty, brutish and short  
Come on up to the house  
The seas are stormy  
And you can't find no port  
Just come on up to the house Come on up to the house  
Come on up to the house  
This world is not my home  
I'm just a passin' through  
Come on up to the house  
There's nothin' in the world  
That you can do  
Come on up to the house  
You've been whipped by the forces  
That are inside you  
Come on up to the house Well you're high on top  
Of your mountain of woe  
Come on up to the house  
Well you know you should surrender  
But you just can't let go  
You gotta come on up to the house Come on up to the house  
Come on up to the house  
This world is not my home

And I'm just a passin' through  
Come on up to the houseCome on up to the house  
Come on up to the house
