

# All Night Long

Robin Thicke

Hey mama  
Kick him out da bed I'm coming over  
Got something to show ya behold ya eyes  
I jus' wanna hold you, just hold you tight  
Like a four leaf clover I be goin' through  
Your flowers baby, your gardens open  
A sight for sore eyes  
Good lord I'm focused  
I can hardly notice anything other then a woman with a face of my future baby mother

(Robin Thicke)

I'm a big man she's a big girl  
Put on them heels and put on that skirt  
She wants to get naughty we can get bad  
She's a good girl with the good girl dance  
I'm ice cream shes a hot swirl  
We can get married and live in our world  
Lets play rough, we can get wild  
I could go home but I'll stay  
Cheat but I won't  
(Lil' Wayne)

So I go by Weezy, love me or leave me  
I hate to leave her  
I think I need her  
She's such a teaser  
Such a diva

I could park it right here baby the f\*\*k ya need a?  
Do it to me baby I could be your reciever  
Call me in the last minute I could be your believer  
Call me at the last minute I be that even  
Late night, early morning, or maybe this evening(Robin Thicke)

She ain't no stunt she ain't no Philly  
I wanna get mad but then not really  
'Cause shes so fly I could get mine  
But I do it much better with her by my side  
Loves alright

We gone get blitzed tonight  
All my girls wanna make that money  
All my thugs wanna take that money  
All night long Im a milk that honey so All night long I wait for your lovin' babe  
All night long I wait to tear you to pieces  
All night long I wait for your lovin babe  
All night long I wait all night long

All night long I wait  
To see you naked  
And watch the sunrise in your face  
All night long I wait for you to play  
And let my open arms take you away(Lil' Wanye)  
Ye, ya, ya, she said she want to, be the one I get next to  
Yes boo, lets do that, who that?, you that  
When I want to be the one I get next to  
Lets move, get you to the crib  
Now I see you was the  
One I want to give sex to  
Sex you  
Sexy you  
You sexy devil you,  
Angel  
Lookin' like you're single  
Thank you  
Have yourself a drink, I  
Drink too saw you when I came through  
Now I can't do nothing if it ain't you  
It's Wayne, boo, I don't do what them lames do  
I come at you from a whole 'nother angle  
Now one time for the ladies in the high skirt  
Two times for the ladies in the tight jeans  
Three times for the ladies who ain't got no panties on  
Lets go home(Robin Thicke)  
All night long I wait for your lovin' babe  
All night long I wait to tear you to pieces  
All night long I wait for your lovin' babe  
All night long I wait all night long  
All night long I wait  
To see you naked  
And watch the sunrise in your face  
All night long I wait for you to play  
And let my open arms take you away
