

# Run

## Joey Trap

Akachi On the Beat lil bitch

Get my money fast that's why they say I run

I was 17 when I first shot a gun

Ever since that day I'm killing shit for fun

Look for competition I ain't seeing none

Haha

Bitch

And you know I'm wilding haha

Diamonds dance

Yeah you know I'm styling

I'm the man

That girl call me papi

Get his ass

He talk shit we rob him

Packets get to flipping

Diamonds on my wrists

Akachi beats is kicking

What

Akachi beats is kicking

Look

Akachi beats is kicking

Get my money fast that's why they say I run

Once I pull out Nina she gone make him run

Running all these bands up I don't give a fuck

Pulling out the Choppa it gone make him run

Run

Pussy nigga run

Run

Pussy nigga run

Bitch

Pussy

Pussy

Bet I make him run
