

# Joy Ride (feat. Austin Mahone)

## Bobby Brackins

Jaw might drop when you see her  
Mean it when I say "I love you, boo"  
Might spent a little bit when I see you  
So you know that the love is true  
My baby gon' handle it  
My baby bring another chick  
You, you know  
My baby gon' handle it  
Ey baby, joy ride the stick All eyes on you, girl, tell me how you want me  
Have you ever rolled a 5x5, honey  
Wanna joy ride it, put that on somethin'  
What's your boyfriend got on me, baby, nothin'  
Enough of the discussion, give me head like a concussion  
When it come to cars, I'm a buy about a dozen  
We can switch it up, pretty baby, when you joy ride in  
Top coming off when you sit in my Benz  
But sugar, sugur baby, she's a star (she's a star)  
Joy ridin' while we in and out the car (joy ride) Jaw might drop when you see her  
Mean it when I say "I love you, boo"  
Might spent a little bit when I see you  
So you know that the love is true  
My baby gon' handle it  
My baby bring another chick  
You, you know  
My baby gon' handle it  
Ey baby, joy ride the stick, ooh ah  
Joy ride my body  
Joy ride my body  
Joy ride my body  
Joy ride it, baby  
Joy ride it, speaking my language  
Girl we can mess around on a bay bridge  
Joy ride it, pretty baby, like a spaceship  
Ah you can joy ride it like we racin'  
And you can ride fast if I [?]  
You can swing that thing like a psycho  
Got them balls, baby, I'm from Oakland  
You can joy ride it like you stole me But sugar, sugur baby, she's a star (she's a star)  
Joy ridin' while we in and out the car (joy ride) Jaw might drop when you see her  
Mean it when I say "I love you, boo"  
Might spent a little bit when I see you  
So you know that the love is true

My baby gon' handle it  
My baby bring another chick  
You, you know  
My baby gon' handle it  
Ey baby, joy ride the stick, ooh ah  
Joy ride my body  
Joy ride my body  
Joy ride, joy ride it, baby
