

# Hold On to Memories

## Disturbed

[Verse 1]

Listen, everyone  
The time will come when all of us say goodbye  
Feel that aching in your heart  
Leaving you broken inside  
But we're never really gone  
As long as there's a memory in your mind

[Pre-Chorus]

So now go do the best things in life  
Take a bite of this world while you can  
Make the most of the rest of your life  
Make a ride of this world while you can

[Verse 2]

Take the ones you love  
And hold them close because there is little time  
And don't let it break your heart  
I know it feels hopeless sometimes  
But they're never really gone  
As long as there's a memory in your mind

[Pre-Chorus]

So now go do the best things in life  
Take a bite of this world while you can  
Make the most of the rest of your life  
Make a ride of this world while you can

[Chorus]

And hold on to memories  
Hold on to every moment to keep them alive  
The world's greatest tragedy  
Souls who are not remembered cannot survive

[Pre-Chorus]

So now go do the best things in life  
Bring the fight to this world while you can  
Make the most of the rest of your life  
Shine your light on this world while you can

[Chorus]  
And hold on to memories  
Hold on to every moment to keep them alive  
The world's greatest tragedy  
Souls who are not remembered cannot survive  
And hold on to memories  
Hold on to every moment to keep them alive  
The world's greatest tragedy  
Souls who are not remembered cannot survive
