

Gotten (feat. Adam Levine)

Slash

So nice to see your face again
Tell me how long has it been
Since you've been here
(Since you've been here)
You look so different than before
You're still the person I adore
Frozen with fear
All out of love but I take it from the past
All out of words 'cause I'm sure it'll never last
I've been saving
These last words for
One last miracle but
Now I'm not sure
And I can't save you if
You don't let me
You just get me like I've never
Been gotten before
Oh yeah
Maybe it's a bitter wind
That chilled from the pacific rim
That brought you this way (Brought you my way)
Do not make me think of him
The way he touched your fragile skin
That haunts me everyday
I'm out of love but I can't forget the past
I'm out of words but I'm sure it'll never last
Oh...
I've been saving
These last words for
One last miracle but
Now I'm not sure
And I can't save you if
You don't let me
You just get me like I've never
Been gotten before
Oh...
Like I've never
Been gotten before
¡Solo!
So nice to see your face again
But tell me will this ever end
Don't disappear

I've been saving
These last words for
One last miracle but
Now I'm not sure
I can't save you if
You don't let me
You just get me like I've never
Been gotten before...
Yeah, yeah, yeah...
Like I've never
Been gotten
Before
