

# Two Birds

Regina Spektor

Two birds on a wire  
One tries to fly away  
And the other watches him close from that wire  
He says he wants to as well  
But he is a liar I'll believe it all  
There's nothing I won't understand I'll believe it all  
I won't let go of your hand  
Two birds on a wire  
One says c'mon and the other says "I'm tired"  
The sky is overcast and I'm sorry  
One more or one less  
Nobody's worried I'll believe it all  
There's nothing I won't understand I'll believe it all  
I won't let go of your hand Two birds of a feather  
Say that they're always gonna stay together  
But one's never going to let go of that wire  
He says that he will  
But he's just a liar  
Two birds on a wire  
One tries to fly away and the other  
Watches him close from that wire  
He says he wants to as well, but he is a liar Two birds on a wire  
One tries to fly away and the other...
