

Naturally Pretty Girls

Elle King

[Verse 1]

Oh, those naturally pretty girls that you see around town
Looking down on me
Who really cares about nice complexion and perfect hair?
I'm sure they just get up every morning and be boring and beautiful

[Pre-Chorus]

No, no, no
It's not make believe
It's rewarding to be beautiful
Nature wasn't kind to me

[Chorus]

Damn those naturally pretty girls
Damn those naturally pretty girls
Pretty girls
Naturally pretty girls
Naturally pretty girls

[Verse 2]

Naturally pretty girls
They always smell so nice
I bet your boyfriend thinks so
I even heard that in school she dated Leonardo DiCaprio
Just leave it to a pretty, pretty girl to ruin your day

[Pre-Chorus]

No, no, no
It's not make believe
It's rewarding to be beautiful
Nature wasn't kind to me

[Chorus]

Damn those naturally pretty girls
Damn those naturally pretty girls
Pretty girls
Naturally pretty girls

[Outro]

Naturally pretty girls

Damn those naturally pretty girls
Naturally pretty girls
Pretty girls
Damn those naturally pretty girls, girls
Naturally pretty girls
Damn those naturally pretty girls
Damn those naturally pretty girls
