

# I Want You

## Chris Lake

I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too

A large black heart shape composed of many small white dots, located at the bottom right of the page.

I want you (i want you)

I want you (i want you)

I want you (i want you, i want you, i want you)

I want you (i want you)

I want you (i want you)

I want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too, i want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too, i want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too, i want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too, i want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too

I want you and you want me too

I want you (i want you)

I want you (i want you)

I want you (i want you)

I want you (i want you)

I want you (i want you)

I want you (i want you)

I want you and you want me too

I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too  
I want you and you want me too
