

Ok Ok

Juliana Hatfield

Why you asking?,
That's the last thing.
Untrusted, not busted.
What what what what what what what whatWhat a cheap shot., I did not.
Just believe it., Just leave it.
Shut up, shut up, shut up,
Shut up, shut upOk ok, whatever you say.
Ok ok, I did it but I didn't.
Ok ok, don't make me get crazy.
Ok ok ok ok, ok, okForget it, regret it.
Imagining not the real thing.
I love you, I love you, I love you, I love you X5
Ok ok, whatever you say.
Ok ok, I did it but I didn't.
Ok ok, don't make me get crazy.
Ok ok ok ok, ok, ok
Ok ok ok ok, ok.
