

Eye of the Needle

Sia

[Verse 1]

Take me down
I'm feeling now
And if I move on
I admit you're gone

[Pre-Chorus]

And I ain't ready but I'll hold steady
I'll hold you in my arms, in my arms, in my arms

[Chorus]

You're locked inside my heart
And your melody's an art
And I won't let the terror in
I'm stealing time through the eye of the needle

[Verse 2]

Step and repeat
Tears fall to the beat
Smile through the pain
Feel the acid rain

[Pre-Chorus]

And I ain't ready but I'll hold steady
I'll hold you in my arms, in my arms, in my arms

[Chorus]

And you're locked inside my heart
And your melody's an art
And I won't let the terror in
I'm stealing time through the eye of the needle

[Bridge]

My bags' heavy, been filled by me
They weigh me down, carry them 'round
It's all mine, all mine
I am blinded by the eye of the needle

[Chorus]

You're locked inside my heart

And your melody's an art
And I won't let the terror in
I'm stealing time through the eye of the needle, eye of the needle
You're locked inside my heart
And your melody's an art
And I won't let the terror in
I'm stealing time through the eye of the needle
