SOS (feat. Aloe Blacc)

Avicii

Can you hear me? S.O.S
Help me put my mind to rest
Two times clear again I'm actin' lowA pound of weed and a bag of blowI can feel your love pullin' me up from the underground and
I don't need my drugs
We could be more than just part-time lovers
I can feel your touch pickin' me up from the underground and
I don't need my drugsWe could be more than just part-time lovers
We could be more than just part-time lovers
We could be more than just part-time lovers
I get robbed of all my sleep
As my thoughts begin to bleed
I'd let go but I don't know how
Yeah I don't know how but I need to nowI can feel your love pullin' me up from the underground and
I don't need my drugs
We could be more than just part-time lovers
I can feel your touch pickin' me up from the underground and
I don't need my drugs
We could be more than just part-time lovers
(Lovers ay)I can feel your touch pickin' me up from the underground and
(From the underground yeah)
I don't need my drugs
We could be more than just part-time lovers
We could be...
We could be more than just part-time lovers
(Part-time lovers)
Yeah! more than, more than lovers
We could be more than just part-time loversCan you hear me? S.O.S
Help me put my mind to rest
