

# Intentions (feat. Quavo)

Justin Bieber

Picture-perfect, you don't need no filter  
Gorgeous, make 'em drop dead, you a killer  
Shower you with all my attention  
Yeah, these are my only intentions  
Stay in the kitchen, cooking up, cut your own bread  
Heart full of equity, you're an asset  
Make sure that you don't need no mentions  
Yeah, these are my only intentions  
Shout out to your mom and dad for making you  
Standing ovation, they did a great job raising you  
When I create, you're my muse  
The kind of smile that makes the news  
Can't nobody throw shade on your name in these streets  
Triple threat, you a boss, you a bank, you a beast  
You make it easy to choose  
You got a mean touch I can't refuse (No, I can't refuse it)  
Picture-perfect, you don't need no filter  
Gorgeous, make 'em drop dead, you a killer  
Shower you with all my attention  
Yeah, these are my only intentions  
Stay in the kitchen, cooking up, cut your own bread  
Heart full of equity, you're an asset  
Make sure that you don't need no mentions  
Yeah, these are my only intentions  
Already passed, you don't need no approval  
Good everywhere, don't worry 'bout no refusal  
Second to none, you got the upper hand now  
Don't need a sponsor, no, you're the brand now  
You're my rock, my Colorado  
Got that ring, just like Toronto  
Love you now, a little more tomorrow  
That's how I feel  
Act like you know that you are  
Picture-perfect, you don't need no filter  
Gorgeous, make 'em drop dead, you a killer  
Shower you with all my attention  
Yeah, these are my only intentions  
Stay in the kitchen, cooking up, cut your own bread (Whip it)  
Heart full of equity, you're an asset (Asset)  
Make sure that you don't need no mentions (Yeah, yeah)  
Yeah, these are my only intentions (Quavo)  
No cap, no pretending  
You don't need mentions (No cap)  
Got them saying "goals", they don't wanna be independent  
Tell them to mind your business  
We in our feelings  
It's fifty-fifty percentage (Fifty)

Attention, we need commitment  
We gotta both admit it (Both)  
It's funny we both listen (Both)  
It's a blessing 'cause we both get it (Both)  
You the best thing and I don't need a witness (Best thing)  
I'ma find me a ring and pray it's perfect fitted (Perfect) Picture-perfect, you don't need no filter  
(No filter)  
Gorgeous, make 'em drop dead, you a killer (Oh)  
Shower you with all my attention (I will)  
Yeah, these are my only intentions (Yeah) Stay in the kitchen, cooking up, cut your own bread  
(You do)  
Heart full of equity, you're an asset (Uh huh)
