

Tim McGraw

Taylor Swift

He said the way my blue eyes shined
Put those Georgia stars to shame that night
I said: "That's a lie."
Just a boy in a Chevy truck
That had a tendency of gettin' stuck
On backroads at night
And I was right there beside him all summer long
And then the time we woke up to find that summer gone But when you think Tim McGraw
I hope you think my favorite song
The one we danced to all night long
The moon like a spotlight on the lake
When you think happiness
I hope you think that little black dress
Think of my head on your chest
And my old faded blue jeans
When you think Tim McGraw
I hope you think of me September saw a month of tears
And thankin' God that you weren't here
To see me like that
But in a box beneath my bed
Is a letter that you never read
From three summers back It's hard not to find it all a little bittersweet
And lookin' back on all of that, it's nice to believe When you think Tim McGraw
I hope you think my favorite song
The one we danced to all night long
The moon like a spotlight on the lake
When you think happiness
I hope you think that little black dress
Think of my head on your chest
And my old faded blue jeans
When you think Tim McGraw
I hope you think of me And I'm back for the first time since then
I'm standin' on your street
And there's a letter left on your doorstep
And the first thing that you'll read is: When you think Tim McGraw
I hope you think my favorite song
Someday you'll turn your radio on
I hope it takes you back to that place
When you think happiness I hope you think that little black dress
Think of my head on your chest
And my old faded blue jeans
When you think Tim McGraw

I hope you think of me
Oh, think of me
Mmmm...
He said the way my blue eyes shine
Put those georgia stars to shame that night
I said: "That's a lie"
