

Ghost Town

Shiny Toy Guns

Everyone living in Ghost Town
Everyone buried in wasteland
We don't want to
We don't have to
Be like that
Living in ghost town All the boys shout it out loud now
All the girls scream it out louder
We don't want to
We don't have to live like that Hold me back
You know were never gonna back down
Hold me back
You know were never gonna back down
We're dead in this ghost town
You better let go so
Let go
Let go of me We're dead in this ghost town
You better let go so
Let go
Let go of me Let go
Let go of me Let go
Let go of me Everyone living in Ghost Town
Everyone buried in wasteland
We don't want to
We don't have to
Be like that
Living in Ghost Town
All the boys shout it out loud now
All the girls scream it out louder
We don't want to
We don't have to live like that Hold me back
You know were never gonna back down
Hold me back
You know were never gonna back down We're dead in this ghost town
You better let go so
Let go
Let go of me We're dead in this ghost town
You better let go so
Let go
Let go of me Let go
Let go of me Let go
Let go of me It's nearly over
The last train is here

And it's leaving behind those years
These are the bad lands
The worst taste in fear
Making graves for the ones we left here We're calling, calling
To say goodbye We're dead in this ghost town
You better let go so
Let go
Let go of me We're dead in this ghost town
You better let go so
Let go
Let go of me Let go
Let go of me Let go
Let go of me
