

# I Found a Reason

## Cat Power

( velvet underground )

Oh I do believe

In all the things you say

What comes is better than what came before

And you'd better come come, come come to me

Better come come, come come to me

Better run, run run, run run to me

Better come

Oh I do believe

In all the things you say

What comes is better that what came before

And you'd better run run, run run to me

Better run, run run, run run to me

Better come, come come, come come to me

You'd better run
