

# A Place In My Heart

## Social Distortion

I saw her today  
Oh God I miss her smile  
A pleasant memory  
Of the things in life worthwhile, things worthwhile We used to walk and we used to talk  
We used to laugh and we used to cry  
And there will always be a place in my heart for her I thought of her today  
Of the years together spent  
A pleasant memory  
Of the places we went, the places we went  
We used to walk and we use to talk  
We used to laugh and we used to cry  
And there will always be a place in my heart for her  
I saw her today  
Oh God I miss her smile  
A pleasant memory  
Of the things in life worthwhile, things worthwhile We used to walk and we used to talk  
We used to laugh and we used to cry  
And there will always be a place in my heart for you
