hot girl bummer

blackbear

[Intro]

Fuck you, and you, and you I hate your friends and they hate me too I'm through, I'm through, I'm through This that hot girl bummer anthem Turn it up and throw a tantrum[Verse 1] This that hot girl bummer anthem Turn it up and throw a tantrum This that throw up in your Birkin bag Hook up with someone random This that social awkward suicide That bite your lips and buy your likes I swear she had a man But shit hit different when it's Thursday night

[Pre-Chorus]

That college dropout music Everyday leg day, she be too thicc And my friends are all annoying But we go dumb, yeah, we go stupid This that 10K on the table just so we can be secluded And the vodka came diluted One more line, I'm superhuman[Chorus] Fuck you, and you, and you I hate your friends and they hate me too I'm through, I'm through, I'm through

This that hot girl bummer anthem Turn it up and throw a tantrum Fuck you, and you, and you I hate your friends and they hate me too Fuck you, and you, and you This that hot girl bummer anthem Turn it up and throw a tantrum [Verse 2]

This that hot girl bummer two-step They can't box me in, I'm too left This that drip, it's more like oceans They can't fit me in a Trojan Out of pocket, but I'm always in my bag Yeah, that's the slogan This that, "Who's all there?" I'm pullin' up wit' a emo chick that's broken[Pre-Chorus] This that college dropout music

Everyday leg day, she be too thicc And my friends are all annoying But we go dumb, yeah, we go stupid This that 10K on the table just so we can be secluded And the vodka came diluted One more line, I'm superhuman[Chorus] Fuck you, and you, and you I hate your friends and they hate me too I'm through, I'm through, I'm through This that hot girl bummer anthem Turn it up and throw a tantrum Fuck you, and you, and you I hate your friends and they hate me too Fuck you, and you, and you This that hot girl bummer anthem Turn it up and throw a tantrum[Bridge] This that college dropout music Everyday leg day, she be too thicc And my friends are all annoying But we go dumb, yeah, we go stupid This that college dropout music Everyday leg day, she be too thicc And my friends are all annoying But we go dumb, yeah, we go stupid We go stupid, we go stupid, we go— And you want me to change? Fuck you! [Chorus] Fuck you, and you, and you I hate your friends and they hate me too I'm through, I'm through This that hot girl bummer anthem Turn it up and throw a tantrum Fuck you, and you, and you I hate your friends and they hate me too Fuck you, and you, and you This that hot girl bummer anthem Turn it up and throw a tantrum
