

# Don't Think I Don't Think About It

Darius Rucker

[Verse 1]

I left out in a cloud of taillights and dust  
Swore I was not coming back  
Said I'd enough  
Saw you in the rear view standing  
Fading from my life  
But I wasn't turning round  
No, not this time

[Chorus]

But don't think I don't think about it  
Don't think I don't have regrets  
Don't think it don't get to me  
Between the work and the hurt and the whiskey  
Do not think I do not wonder about  
Could have been, should have been all worked out  
I know what I felt and I know what I said  
But don't think I don't think about it

[Verse 2]

When we make choices we got to live with them  
Heard you found a real good man, and you married him  
I wonder if sometimes I cross your mind  
Where would we be today?  
If I never drove that car away

[Chorus]

But don't think I don't think about it  
Don't think I don't have regrets  
Don't think it don't get to me  
Between the work and the hurt and the whiskey  
Do not think I do not wonder about  
Could have been, should have been all worked out  
I know what I felt and I know what I said  
But don't think I don't think about it  
Don't think I don't think about it

[Chorus]

But don't think I don't think about it  
Don't think I don't have regrets

Don't think it don't get to me  
Between the work and the hurt and the whiskey  
Do not think I do not wonder about  
Could have been, should have been all worked out  
I know what I felt and I know what I said  
But don't think I don't think about it

[Outro]  
No no  
Don't think I don't  
Don't think I don't  
Mmm
